UNIVERSITY OF HAWAI'I ARTICULATION AGREEMENT
Kaua‘i Community College Associate in Science in Business to the
University of Hawai‘i-West O‘ahu Bachelor of Arts in Business Administration

The purpose of this Agreement is to facilitate a smooth transition for students from the Kaua‘i Community College (Kaua‘i CC) Associate in Science (AS) in Business program to the University of Hawai‘i-West O‘ahu (UHWO) Bachelor of Arts (BA) in Business Administration with a concentration in General Business Administration (GBUS), Accounting (ACC), Marketing (MKT), *Management (MGT) or *Finance (FIN). *Non DE programs.

Students must graduate from Kaua‘i CC with the articulated AS degree in Business and be admitted to UHWO in order to be eligible for the benefits of this Agreement. While this academic pathway represents the most efficient coursework progression from the AS program at Kauai CC through the BA program at UHWO, individual course substitutions may be made on a case-by-case basis when recommended courses are not available; however, all core, concentration, general education, focus, and graduation requirements must still be met in those individual cases. Students transferring to UHWO who do not graduate with the Articulated AS degree in Business at Kaua‘i CC will be required to meet all current catalog requirements upon admission to UHWO.

Requirements for both the Associate in Science (AS) degree and the Bachelor of Arts (BA) in Business Administration degree are provided as attachments and form the basis of this agreement. Subsequent changes to the curricular requirements of either program may require revisions to this agreement.

Under the terms of this Agreement, the University of Hawai‘i-West O‘ahu agrees to:

1. Identify an academic advisor at UHWO who will partner with Kaua‘i CC advisors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a UHWO faculty member who will serve as the faculty advisor to students who are part of this articulation.
3. Meet with Kaua‘i CC faculty and/or administration minimally every two years, or on an as needed basis, to discuss potential and planned curricular changes

Under the terms of this Agreement, Kaua‘i Community College agrees to:

1. Identify AS in Business students who have followed and completed this articulation in their STAR Degree Check.
2. Identify an academic advisor at Kaua‘i CC who will partner with UHWO advisors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information
3. Identify a Kaua‘i CC faculty member who will serve as the faculty advisor to students who are part of the articulation
4. Meet with UHWO faculty and/or administration minimally every two years, or on an as needed basis to discuss potential and planned curricular changes

This Articulation Agreement is effective beginning Fall 2014 and is based on the General Education and Focus requirements in effect at UHWO for the Fall 2014-2015 academic year. Students may be subject to university graduation requirement and curriculum changes implemented after the effective date of this Agreement.

This Agreement will be subject to review in Spring 2016 and may be continued, revised or discontinued with the consent of both parties. Should both parties agree to terminate the Agreement, UHWO will honor the Agreement stipulations for identified students currently enrolled in this articulation option at the time of termination.
